Call 510-979-1979 with specific analytical needs and concerns. To ensure analytical integrity, we reserve the right to reject inappropriately prepared/shipped samples. All analytical services subject to our Standard Terms & Conditions. If no turn around time indicated, standard timing applies. Microbiological results are always reported as soon as all tests are completed. Expedited chemistry testing is available for an extra fee. Due to method requirements not all tests can be expedited. Our business hours are 8:00 am - 5:00 pm, Monday - Friday. Contact the lab in advance to arrange weekend & holiday work.
